For the usage of the SEPA.net payment system the following prices can be applied:

For successfully collected amounts	SEPA.net fee per transaction	Monthly transactions
until 5.00 Euros	0,19 Euros (lump sum)	until 500*
from 5.01 Euros	3,9 % of the collected amount	until 500*

* for more than 500
Transactions on request

Return debit fee: If a direct debit cannot be redeemed, return debit fees may usually arise. These fees will be taken over by the GRÜN Digital Invest GmbH and will not be charged from the online vendor as long as the quota of the **return debits are below 5%**. For all additional return debits a lump sum of **7.00 Euros** (plus VAT) will be charged.

Set-up fee: none

Monthly fee:

Rate A 24 month term: 1,99 €/month (Fee for total term: 47,76 € + VAT)

Rate B 12 month term: 3,99 €/month (Fee for total term: 47,88 € + VAT)

Rate C 6 month term: 4,99 €/month (Fee for total term: 29,94 € + VAT)

The fees will be deducted at the beginning of the contract term for the total term from your bank account via direct debit. The contract may be terminated from both parties any time by email, fax or letter. In case of a termination before the expiration of the price determining monthly fee duration, it may be possible that monthly fees paid in advance will not be returned, but will be due as a onetime set-up fee on account of a reduced contract term. Apart from that, the contract term will be prolonged by the period equal to the one booked previously.

Notes:

- > All SEPA.net fees are net amounts and include a 19% VAT.
- > The credit entry of the retracted fees occurs at the 15th of the subsequent month.
- > The billing and payment are regulated in the "General Conditions and Terms for online vendors".
